

Cube MkII

Contemporary

This narrow lot contemporary and modern design is simple in its appearance, yet its bold shape is able to showcase its different dimensions. Using different materials, this home fails to disappoint. Embracing its modernity through clean lines, symmetry and rectangular floor plan to make the most of the block, this home is the perfect back drop for those wanting something that is truly unique which is both rational and functional. A maximum use of space is beneficial in this type of home which allows it to be spacious, bright & open.
